

Hulls Farmhouse

Hulls Farmhouse is set amongst barns and sheds and orientated to the south, away from the Site. Between the asset and the Site is dense woodland. At its nearest point extraction will be 350m north east of the house and will not be perceptible, with the predominant noise source being the A120 dual-carriageway, 275m south west of the asset.

A field, 180m long, separates the House from the woodland, itself 100m deep.
